Overview

The **Home, Garden & Remodeling Show**, presented by Champion and powered by LG&E, is celebrating 70 consecutive years as the largest, longest-running and locally produced Home Show in the region. Tens of thousands of guests are welcomed each year to view and get inspired by the latest and greatest in home and garden related products and services. Nearly 7 acres and over 350 booths transform the exhibit hall with beautifully built displays, custom demos, as well as, trusted industry professionals onsite to answer all your questions.

Guests will enter the Show through an over-the-top French courtyard inspired area that includes all the sights and sounds of springtime. With a Home Show program in hand, attendees can map out their day based on particular areas of interest or just freely browse up and down the aisles. Included in admission, guests can enjoy the high-energy speed art painting shows on our **Entertainment Stage** that is a new feature and flavor for this year's Show. For the enthusiast, you can enjoy one or many of the seminars hosted on the **Cooking Stage** or the **Home & Garden Stage** that are sure to educate and inspire.

A staple of the **Home, Garden & Remodeling Show** continues to be the live garden areas of the Show that bring the outdoors in. Local landscaping professionals showcase their talents by building and bringing to life beautiful live gardens areas and hardscapes with many including water features. The Show prides itself on being a true event and experience that offers something for all ages and income levels.
