

HOME, GARDEN & REMODELING SHOW

MARCH 2-4, 2018

PRESENTED BY **CHAMPION**

Powered by: **LG&E**
a PPL company

FOR IMMEDIATE RELEASE

The 70th Annual Home, Garden & Remodeling Show

Local Love Creates a Hometown Vibe at this Year's Show

Louisville, Kentucky (February 6, 2018) – The **Home, Garden & Remodeling Show** presented by *Champion Windows* and powered by *LG&E* is celebrating 70 consecutive years as the largest, longest-running and locally produced Home Show in the region. From March 2 – 4 at the Kentucky Exposition Center, tens of thousands of guests will be welcomed to view and get inspired by the latest and greatest in home and garden related products and services. Nearly 7 acres and over 350 booths will transform the exhibit hall with beautifully built displays and custom demos, as well as trusted industry professionals on site to answer questions.

One of the many things that the **Home, Garden and Remodeling Show** prides itself on each year is supporting and showcasing the best-of-the-best in home and garden related companies, products and services in the local area. No other event in the region offers this wide array and variety under one roof.

Not only are a majority of the vendors local, but many are also members of the Building Industry Association of Greater Louisville, which produces the Show.

Another concept that is unique and adds an additional element of local flavor is the **Living in Louisville** area. The Louisville Visitors Center has teamed with the Show to display and showcase the area's finest and most exciting tourist attractions. This portion offers a glimpse inside all the must-see things to do and experience in the regional area. "We try to bring together all the elements that go into what "home" means." says Show Director Gail Schell. "We provide you with options for inside and outside your home all while creating an atmosphere that exudes home-town pride for our Greater Louisville communities."

The **Buy Local** area is being reintroduced into this year's lineup and has been designated to support local artisans, their unique craftsmanship and one-of-a-kind products. These vendors

will offer anything from Louisville inspired photography and unique handcrafted pottery to products made from locally grown raw wildflower honey. Attendees will have the chance to take home a piece of the Show and incorporate it into their own homes.

Admission is \$10 for adults and \$9 for senior citizens 62 and older. Children 15 and under, as well as military members (with an ID) are free. Tickets can be purchased online or at the door. Show hours are Friday, March 2nd and Saturday, March 3rd from 10:00 a.m. – 9:00 p.m. and Sunday, March 4th from 10:00 a.m. – 5:00 p.m. **For more information, please visit www.LouisvilleHomeShow.com or visit us on Facebook at www.facebook.com/louisvillehomeshow/ for a special “Buy One Get One Free” offer.**

The **Home, Garden & Remodeling Show** is proudly produced by the **Building Industry Association of Greater Louisville** (BIA). The BIA is a member organization supporting the building industry and produces other quality shows in the Louisville area such as **Homearama**, **Tour of New Homes** and **Tour of Remodeled Homes**. For more information about the BIA please visit www.bialouisville.com.
